SUBJECT: ACCESS OF PEP 2020 RESULTS

Dear Colleagues,

The Ministry of Education, Youth and Information remains committed to providing a first class education to every Jamaican child. As part of this commitment we hereby announce that in addition to the usual channels available for accessing students' scores and placement information for the 2020 Primary Exit Profile (PEP), the Ministry of Education, Youth and Information will be offering online access to parents as well as institutions.

Access for Parents

The Deams Performance Information System (DPIS) online site for parents can be accessed via the following link: www.parent.dpisonline.com. This site is designed to present parent reports to all parents and guardians of students who are transitioning from primary level institutions to high schools. Parents are being asked to visit the website, register and create their accounts.

The portal will open for registration as of **Wednesday, June 24, 2020 at 5:00 p.m.** Access to student placement and scores will be available on **Friday, June 26, 2020 at 4:00 pm.**

Parents will be provided with a welcome letter bearing log in credentials and directions on how to activate their accounts. This log in credential will be sent to **all** primary level institutions by **Tuesday, June 23, 2020**, and should be distributed to **all** parents before **Thursday, June 25, 2020**.

Access for Institutions

Please be reminded that in order to access the 'Sending School List', primary institutions should log on to DPIS Online at www.dpisonline.com and take the following steps:

- Click Custom Reports in the blue menu bar on the left.
- Click the View button beside the name of the report in the main window.
- The report can then be downloaded or printed using the controls at the top of the document.
