Customer Review on Fairy Hill Cashews

Margaret

★★★★★

5 out of 5 stars

Reviewed on May 30, 2022

They arrived quickly. They also stay fresh longer if you seal the container properly. Plus they are rich in fibre and heart healthy fats. For the price I paid for them, it was a huge saving. Fairy Hill brand of cashews is my favourite.

The cashews had a very nice taste, lightly roasted and lightly salted. They're not the best quality but they make a great snack.

What has happened to Fairy Hill Cashews?? I am a vegetarian. I eat cashews as a source of protein. The cashews I got were not expired but they taste awful. Not eating them! YUCK!!! I want my money back!

Normally I purchase a mixed nuts container and they are usually good. This time, I bought the smaller container with cashews only. Usually have to keep myself from eating too many - not this time!

I snack on them instead of ice cream. So they help me to lose weight. I usually end up hiding a can as they mysteriously "disappear" whenever my husband knows we have them.

Great brand, great cashews, yummm!
